McRae's Majority Reduced.

Little Rock, Ark., November 7.—A special to the Gamble says Ben M. Foreman, republican, carried Hempstead county, the home of Democratic National Chairman James K. Jones, over Congressman T. C. McRae, democrat. Foreman made gains in other counties and McRae's usual large majority will be considerably reduced.

The republicans have elected twelve members in Illinois; the democrats ten; Lorimer and Rodenberg, republicans, having been defeated.

In Indiana we elected nine and the democrats four; the representation remaining the same as now.

In Kentucky—Republicans, two, in the Fifth and Eleventh districts; democrats six, with the Third, Ninth and Tenth in doubt.

Massachusetts—Republicans ten, democrats three; same as now.

North Carolina—Republicans two, in the Eighth and Ninth districts; democrats six, with the Third, Ninth and Tenth in doubt.

Ohio—Republicans seventeen, democrats four. We gain the Third, the Dayton district, by 300, and the Twelfth (Columbus), the district of Congressman Lentz, by 14.

Pennsylvania—Republicans twenty-six, democrats three, with the Twenty-eighth district in doubt. We gain the Third, Twelfth, Thirteenth, Nineteenth, Twentieth and Twenty-seventh districts.

Tennessee—Republicans two, democrats eight; same as now.

Total republicans elected 202; democrats 147. Doubtful eight.

The present congress, as elected, contains 185 republicans, opposition 172.

KERR'S CLAIMS.

Says Democrats Will Have 166 Members, Perhaps Two or Three More.

Washington, November 7.—At the headquarters of the democratic congressional committee, Mr. Kerr, the secretary, tonight denied the claims of the republicans of a majority of from forty to fifty in the next house. He says that the information he has received makes it certain that the democrats will have at least 166 members, with the prospects of one or two more seats which are still in doubt, leaving a republican majority on the face of present advices of only twenty-five.

Chairman Richardson refused to give out any statement on the general result, merely saying he did not wish to talk at this time.

Representative Lundenslager, who is in charge of the Eastern headquarters of the republican congressional committee, said tonight that his returns and the press dispatches indicated that the republicans would have 203 members in the new house of representatives, against 156 for the opposition.

RACE RIOT THREATENED.

Four Million Men Attacked by Negroes—Assaults on Whites Hourly.

Washington, Pa., November 7.—The greatest excitement prevails here at a late hour tonight and a serious race war is feared before morning. Four members of company H, Tenth regiment—Claude Duffy, George Barr, David Curran and Charles Rodgers—were attacked on Main street last night by negroes and all badly injured. Company H had held a meeting in the armory here today and decided to patrol the town and wear out in squads tonight. Both whites and blacks are on the streets in force and the citizens of the town are in a dangerous mood. Reports of assaults on whites are coming in hourly. In Washington tonight there are about 300 negroes, recently brought here by military police, who have been sworn in and five arrests of negroes have been made.

G. A. R. MEETING.

May Not Be Held in Denver on Account of Unsatisfactory Returns.

Chicago, November 7.—The Record tomorrow will say: Present indications are that the Grand Army of the Republic will not hold its next annual reunion in Denver, the place selected at the Chicago encampment.

Unsatisfactory rate arrangements with the Western railroads are expected to turn the veterans from the Colorado metropolis to some city, probably Cleveland, in the Eastern lines territory. The old soldiers believe that the success of a Denver encampment would be largely upon the rates granted by the lines operating in Western territory. They think that nothing higher than a flat cent-a-mile rate could be secured. The roads heretofore have always adhered to a rate of one-cent plus 12 for the round trip for big meetings, but this time they show no disposition to break away from their usual policy.

CHINESE NOTABLES

Were Shot at Pao Ting Fu by Order of Court Martial.

Tien Tsin, November 6.—General Lorne Campbell's column has returned to Tien Tsin, having burned and shelled altogether twenty-six villages. He found the country in general ostentatiously friendly.

The Russians sent two columns from Lu Tai to Yang Tsun Sunday.

The Tartar general, Kwei Yang, and Colonel Wang Hau Me were shot at Pao Ting Fu by order of the court martial.

The French have arrested Chung Li, president of the board of revenue, near Pekin.

Carlists Dispersed.

Madrid, November 7.—The band of Carlists which had been operating in the province of Alicante has been dispersed.

Three warships with arms have been seized near Barcelona.

Government Receipts.

Washington, November 7.—Government receipts: From internal revenue \$23,716; customs \$23,569; miscellaneous \$146,302; expenditures \$1,080,000.

Guthrie, O. T., November 7.—Territorial election returns are coming in slowly, but enough is known to show that Dennis T. Bryan, republican, is re-elected delegate to congress by less than 3000 over Non-democrat. The republicans claim six members of the council, and the election of E. Duff, anti-fast a populist. This would give the republicans a minimum majority.

The lower house is claimed by the republicans by sixteen.

STORY OF BALLOTS.

Most of Tuesday Night's Returns Were Approximately Correct.

DEMOCRATS GOT KENTUCKY,

According to the Latest Returns from that State.

THE REPUBLICANS HAVE CALIFORNIA

By a Plurality that is Now Estimated at Ten Thousand.

BYRAN'S STATE IS STILL IN DOUBT

Republicans Claim It by a Considerable Majority, but Democrats Have Not Yet Conceded It.

Louisville, Ky., November 8.—At 1:30 a. m., with returns from all but sixty-two out of 1884 precincts in Kentucky, the Courier-Journal puts Bryan's majority at 7384 and Beckham's at 4988. The missing precincts are about evenly divided between democrats and republicans.

Governor Beckham, at democratic headquarters, said tonight: "I am absolutely certain that I have been elected governor by a majority of between 5000 and 10,000 votes."

Leslie Combs, chairman of the republican State campaign committee, said: "We still believe Mr. Yerkes has been elected by a majority of 3000 votes. Our figures show that McKinley has run 900 votes behind Yerkes. At least 3000 republican ballots have not yet been counted in certain counties and these will increase the republican vote. We also claim the election of four republican congressmen, Irwin in the Fifth, McKensie in the Third and Hopkins in the Tenth. We are also of the opinion that Samuel J. Pugh has been elected over Kehoe in the Ninth district."

ALABAMA.

Montgomery, Ala., November 7.—Not enough returns have been received from the different counties in the State to make a reliable estimate of the results of Tuesday's election. The vote was light. The republicans have carried several counties. As a general thing the negroes did not vote. The democratic majority will be at least 40,000.

ARKANSAS.

Little Rock, Ark., November 7.—Complete returns are coming in slowly, but it is known to indicate a plurality of 60,000 for Bryan in Arkansas. Neither democrats nor republicans polled their full strength. In each of the six congressional districts the democratic nominee carried by a narrow margin.

COLORADO.

Denver, Colo., November 7.—Returns received show that Bryan's plurality will be from 30,000 to 35,000 and may reach 40,000. The republican managers concede the legislature to the fusionists by a majority of fifty-six on joint ballot. Orman (Dem.) and the waste fusion ticket will have about 25,000 plurality. The defeat of Senator Wolcott for the senate is generally conceded.

CONNECTICUT.

New Haven, Conn., November 7.—The revised election returns for Connecticut, with every town and district in the State heard from, gives the State to McKinley by a plurality of 18,000 of 1896.

Scattering returns from other counties indicate that the fusion electoral ticket may win out by a lead of about 1200 or 1500.

DELAWARE.

Wilmington, Del., November 7.—Returns received definitely determined the political divisions of the next Delaware legislature. It is republican in each branch and with probably elected two republican United States senators.

FLORIDA.

Jacksonville, Fla., November 7.—The official returns from 385 precincts out of 667 in the State received up to midnight give Bryan a majority of 23,000 in the State. The same returns give Jennings, democrat, for governor, 25,000 majority. The proposition to move the capital from Tallahassee is defeated by a slight majority over all candidate or a heavy plurality over Jacksonville, the highest candidate for the capitol. There were two other candidate cities dividing the vote. The two democratic congressmen are re-elected by majorities the same as given the National ticket.

GEORGIA.

Atlanta, Ga., November 7.—Dispatches from the State tonight do not materially change the figures reported in these dispatches last night. Mr. Bryan's majority in Georgia is about 40,000.

ILLINOIS.

Chicago, November 6.—The probability is that the republicans will have a major-

ity of about twenty-two on joint ballot.

The present house is republican by ten and the hold-overs give a republican majority of eight in the senate, and the democrats figure that with slight gains they will have a majority of one or two on joint ballot and thus replace Sen. or Culom with a democrat. In the event of their obtaining control of the legislature, it is certain that Samuel A. Ashburn, the defeated democratic gubernatorial candidate, will be sent to the senate.

INDIANA.

Indianapolis, Ind., November 7.—A plurality of from 28,000 to 32,000 for the republican National ticket, the election of Colonel W. T. Durbin, republican, to the governorship; the election of the entire State and Marion county republican ticket; nine, and possibly ten, out of the thirteen congressmen, and the election of a legislature that will have a republican majority of forty on joint ballot, is a summary in brief of yesterday's election in Indiana.

Indiana's congressmen will be as follows:

First District—J. A. Heminway, republican.

Second—Robert Miers, democrat.

Third—W. T. Senor, democrat.

Fourth—in doubt.

Fifth—E. S. Hollaway, republican.

Sixth—J. E. Watson, republican.

Seventh—Jesse Overstreet, republican.

Eighth—G. W. Cromer, republican.

Ninth—C. B. Landis, republican.

Tenth—Edgar Rumpacker, republican.

Eleventh—O. W. Steele, republican.

Twelfth—James Robinson, democrat.

Thirteenth—A. L. Brink, republican.

IOWA.

Des Moines, Iowa, November 7.—With limited returns from 800 precincts, McKinley's plurality in Iowa will, it is thought, be 80,000. The entire congressional delegation in the State is republican, and democratic losses are reported in nearly every county.

KENTUCKY.

Frankfort, Ky., November 7.—The Kentucky governorship is still being claimed by the republican and the State capital. The democrats are claiming advices showing Beckham's election by from 4500 to 6000, while the republicans claim the election of Yerkes by 2000. Independent voters are charging that the republicans are holding back the returns in the Eleventh district and that the democrats have done likewise in the First, the republican and democratic strongholds, respectively, each wanting for the other side to make a showdown, and that this is responsible for the delay in ascertaining the result.

KANSAS.

Topeka, Kan., November 7.—On the basis of limited returns from the State the republican claim Kansas by 25,000 for the National ticket and 20,000 for the State ticket; also the election of republican congressmen, with the possible exception of the Third district. The democrats claim the legislature by a safe majority on joint ballot, insuring the election of a republican senator.

LOUISIANA.

New Orleans, November 7.—Louisiana gives Bryan the usual democratic majority and elects full democratic congressional delegation.

MARYLAND.

Baltimore, Md., November 7.—Resides placing Maryland's eight electoral votes in the McKinley column, a solid republican delegation to the Fifty-seventh congress was elected.

MINNESOTA.

St. Paul, Minn., November 7.—The only point unsettled in the Minnesota election is the contest over the governorship. Tamm, chairman of the republican committee, figures out \$775 plurality for Van Zandt, while Chairman Rosling of the democratic committee figures from his returns 12,000 plurality for Lind.

The McKinley vote seems considerably more than 50,000 over that for Bryan.

NEBRASKA.

Lincoln, Neb., November 7.—Popular headquarters claim Governor Poynter's election by 4500 and that of the Bryan electors by 2000.

Omaha, Neb., November 7.—Complete figures from twenty of the ninety counties in the State are as follows:

Bryan 37,350; McKinley 40,959. Same counts in 1896 gave Bryan 33,982; McKinley 34,481. This change, if maintained, would come very near wiping out the Bryan plurality of 18,000 of 1896.

Scattering returns from other counties indicate that the fusion electoral ticket may win out by a lead of about 1200 or 1500.

The World-Herald (democratic) tomorrow will say: "The legislature of Nebraska is fusion by seventy-two votes out of 123 on joint ballot."

Omaha, Neb., November 7.—Chairman Lindsay of the republican committee claims that McKinley carries the State by 7000 or more, the republican State ticket wins by 6000 and that the republicans have a majority of seventeen in the legislature. They claim the re-election of Mercer and Burkett for congress and the election of Pope, Moreland and possibly Hays.

The democrats claim Bryan carried the State by 1000; that the fusion ticket has a safe majority in the legislature; that fusion State officers are elected by 3000 to 5000, and conceding the re-election of
